

# ***Hey Pard'ner ...*** ***TRAIL RULES***

there's a few things ya gotta remember,  
if you're gonna ride with the RRT gang.

The Trail Boss is always in the lead, ya do  
what he/she says and never pass them by.

Stay on the trail, don't wonder off alone or  
with a friend, we don't want to lose ya!

Yer horse might leave a little sumpthin'  
behind on the trail, but cowboy's and  
cowgirl's don't leave nuthin'.

Drinkin' on the trail is yer business,  
please keep it that-a-way.

Burn tobacco only when the Trail Boss  
says it's ok, we want to save all our trails!

If ya don't ride by the rules and the  
Trail Boss says ya gotta go,  
**SORRY**, ya just gotta go!
